LUNCH (approx. 1:30pm): 30 minute break around 1:30/2:00 at the end of first motos. Racing starts again immediately after lunch. (Second motos)

AWARDS: Will be at the next round in Sylvan Beach, NY. June 20-22.

Opechee Bay Reservoir & Laconia, New Hampshire

Lake Opechee (O-Pee-Chee) also known as Opechee Bay Reservoir is a peaceful 426-acre lake nestled between Lake Winnepesaukee and Lake Winnisquam, just minutes from downtown Laconia.

Sights & Sounds:

The Defiant One -- A 40-ft Native American carving by Peter Wolfe, a striking 40-foot-tall sculpture by artist Peter Wolfe. Carved from a single white pine in 1987, the sculpture depicts a Native American figure with arms outstretched, symbolizing strength and resilience. Due to weather and insect damage, the sculpture was 3D scanned, recreated, and installed in 2024.

Live Music -- National acts at the award winning Bank of NH Pavilion in nearby Gilford.
Scheduled for May 29th & 30th: Zac Brown Band

The World's Largest Arcade -- Funspot. Over 600 arcade games, including pinball classics and modern tech, plus a restaurant, tavern and bowling alley

Weirs Beach -- Scenic Lake Winnepesaukee (NH's largest lake), M/S Mount Washington cruise ship, boardwalk and arcade, Weirs Beach Drive-In and home of Laconia Motorcycle Week, the oldest national Motorcycle Rally in the US.

Camping & Lodging:

Dry RV and Camping will be available on site Friday AM to Sunday PM. On arrival, please wait to be shown your parking area as it will be tight trying to fit everyone in! Overflow parking will be available if needed. Enter from N Main St. into Opechee Cove parking lot. Racing will be at Opechee Point.

*Friendly Reminders: Please be sure to keep your camp space clean. We were granted special permission for overnight camping and do not want to lose this privilege in the future. **Tires must stay off the baseball fields at all times**, ATV designated (red) path only. Remember to carry-out all trash and belongings. "Leave it better than you found it!"
